

dict

```
graph BT; A["homeassistant.components.automation.config.  
AutomationConfig"] --> B["dict"]
```

A diagram illustrating a type annotation. A light gray rectangular box at the top contains the text 'dict'. A blue arrow points vertically upwards from the bottom center of a larger, dark gray rectangular box to the bottom center of the 'dict' box. The dark gray box contains the text 'homeassistant.components.automation.config. AutomationConfig'.

homeassistant.components.automation.config.
AutomationConfig
